RE: Summer Reliability Assessment Meeting

The Pennsylvania Public Utility Commission's Summer Reliability Assessment Meeting will be held on Thursday, June 9, 2011 at 1:30 P.M. in Hearing Room No. 1, Commonwealth of Pennsylvania's Keystone Building, 400 North Street, Harrisburg, Pennsylvania. The purpose of this meeting is to gather information about how the demand for electricity will be met throughout the Commonwealth during the summer of 2011.

Presentations or other informational materials will be offered by representatives of the Public Utility Commission; Mid-Atlantic Mutual Assistance Group (MAMA); Energy Association of Pennsylvania; PJM Resource Adequacy Planning Department and the Electric Power Generation Association. The topics that will be covered during the meeting include:

- Overview of the NERC 2011 Summer Reliability Assessment
- PA Smart Grid Update
- Distribution and Transmission Restoration Process
- Electric Distribution Companies' Perspective
- Discussion of Forecasted Load, Generation and Transmission for Summer 2011
- Discussion of Plant Additions and Retirements and Environmental Considerations

If you have any questions concerning this meeting or the enclosed agenda, please feel free to call Darren Gill, Supervisor—Electric Reliability at 717-783-5244.

Very truly yours,

Wayne L. Williams, Ph. D.
Director, Bureau of Conservation, Economics and Energy
Planning
