**Re: Update and Amendment to the Initial Application for Natural Gas Supply Services to the Public for Interstate Gas Supply, Inc. d/b/a/ IGS Energy; Docket No. A-125051**

Dear Secretary Chiavetta:

On September 17, 2010, Interstate Gas Supply, Inc. d/b/a IGS Energy ("IGS Energy") submitted the above-referenced update, notifying the Pennsylvania Public Utility Commission ("PUC" or "Commission") of its intent to use the fictional name, and to do business in the Commonwealth of Pennsylvania as, "Columbia Retail Energy." On October 14, 2010, the Retail Energy Supply Association ("RESA") filed a Protest and a Petition to Intervene in this docket, objecting to IGS Energy's use of this fictional name.

In accordance with 52 Pa. Code § 1.15, IGS Energy respectfully requests that the Commission grant an extension of time for filing responsive pleadings to RESA's Protest and Petition to Intervene. IGS Energy is aware that the statutory deadline for filing such responsive pleadings is today, November 3, 2010; however, IGS Energy and RESA have been engaged in serious and, thus far, very productive discussions in an effort to avoid any further litigation of this matter.

Section 1.15 provides that the Commission may extend the prescribed period for filings and other actions "for good cause." 52 Pa. Code § 1.15(a)(1). For the reason stated above, IGS Energy therefore respectfully requests an extension of twelve (12) days, until November 15, 2010, for the filing of responses to RESA's Protest and Petition to Intervene, should such responses be necessary. Counsel to RESA has conveyed to IGS Energy that it does not object to this extension. Furthermore, because no other interventions or pleadings have been submitted in this matter, the requested extension would not prejudice any other party.
