RE: Constellation NewEnergy-Gas Division, LLC  
Natural Gas Supplier License No. A-125095

Dear Secretary Chiavetta:

Constellation NewEnergy-Gas Division, LLC (CNEG) is a licensed Natural Gas Supplier in the Commonwealth of Pennsylvania.<sup>1</sup> CNEG is authorized by the Pennsylvania Public Utility Commission (Commission) to provide natural gas services to the public within the service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, UGI Utilities, Inc., Equitable Gas Company, T. W. Phillips Gas and Oil Company, and the Peoples Natural Gas Company. CNEG presently provides natural gas services to commercial and industrial customers located in the service territories of these utilities.

CNEG respectfully requests the Commission amend CNEG's existing license to include the service territory of Philadelphia Gas Works (PGW). If approved, in addition to its present business activities, CNEG intends to solicit natural gas-related business from commercial and industrial customers located in PGW's service territory.

Based upon information from Commission Staff, CNEG understands that the following information is required to support its request:

1. Evidence that CNEG has met the creditworthiness standards of PGW.

Enclosed is a letter from Douglas A. Moser, PGW's Senior Vice President Gas Management stating PGW is satisfied with the qualifications of CNEG and reserves the right to require security from CNEG as it deems appropriate.

---

<sup>1</sup> The initial license was granted in the name Alliance Energy Services Partnership (Alliance Energy) on April 5, 2001. On April 28, 2004 the Commission approved the request by Alliance Energy to change the name on its license to Constellation NewEnergy-Gas Division, LLC.

2. Proof of publication in the newspapers distributed in the geographic area served by PGW of notice of intent to provide natural gas and related services in its service territory.

Also, enclosed is a copy of CNEG's January 2001 initial newspaper notice in the *Philadelphia Inquirer*. Please note the notice states CNEG's intent to "sell natural gas and related services throughout all of Pennsylvania." CNEG understands that if the initial newspaper notice indicated intent to provide service statewide, then notice at this time to support the request herein is not required.

CNEG respectfully requests that the Commission approve its request to amend CNEG's existing license to include Philadelphia Gas Works as a utility service territory in which CNEG is authorized to provide natural gas supply services.

Re: Security Requirement Bond for Constellation NewEnergy-Gas

Dear Mr. Baker:

Philadelphia Gas works (PGW") is aware that Constellation NewEnergy-Gas has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Constellation NewEnergy-Gas must furnish acceptable security to each utility where Constellation NewEnergy-Gas will do business. As such, under its tariff, Philadelphia Gas Works could require Constellation NewEnergy-Gas to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Constellation NewEnergy-Gas intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, Constellation NewEnergy-Gas will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Constellation NewEnergy-Gas does not need to post a bond or other form of security to operate in its service territory. If the services provided by Constellation NewEnergy-Gas should change, Philadelphia Gas Works reserves the right to require security from Constellation NewEnergy-Gas as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6899.

Sincerely,

A handwritten signature in blue ink, appearing to read "Douglas A. Moser", is written over a light blue rectangular background.
