RE: Gas and Hazardous Liquids Pipeline Act, Act 127

Dear Sir or Madam:

We are responding to the Commission's letter dated January 12, 2012 to all potentially regulated Pipeline Operators as defined in Act 127 of 2011. We are responding for Dannic Energy Corporation, Highpointe Oil & Gas, LLC and Home Gas and Oil Company, Inc. We asked that the Commission remove all three companies from its mailing list because all three (3) companies operate only lines used in production operations as defined by API RP80 that are not subject to regulation under Act 127.

Please contact us at the above address or phone number should you have any questions.

Yours truly,

Richard V. Reardon  
Vice-President
