Dear Sirs,

We are in receipt of your letter regarding the implementation of Act 127 of 2011, which relates to the regulation of gas and hazardous liquid pipelines located in Pennsylvania. The letter also includes a Pennsylvania Pipeline Operator Annual Registration Form.

We are writing to inform you that on August 3, 2010, Gordon Terminal Service Co. sold all of its hazardous liquid pipeline assets to Buckeye Partners, LLP. These pipeline segments were associated with Tioga Pipeline Company, a subsidiary of Gordon Terminal Service, prior to the date of sale.

Since Gordon no longer owns or operates any hazardous liquid or gas pipelines/facilities, we will not be completing the Annual Registration Form. In addition, please update your records to take us off the mailing list for future correspondence.

Please contact me if you have questions or need additional information.

Sincerely,

Timothy-H. Gordon
