**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interests of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 – 399.50 (“the Act”). The Act further provides that the Small Business Advocate issue publicly a written statement setting forth concisely the specific interest of small business consumers to be protected by the initiation of, or intervention in, any proceeding involving those interests before the Pennsylvania Public Utility Commission (“Commission”) or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a Notice of Intervention in the above-captioned proceeding.

Governor Edward Rendell signed Act 129 of 2008 (“Act 129”) into law on October 15, 2008. Act 129 requires that each electric distribution company (“EDC”) with at least 100,000 customers must develop and file an Energy Efficiency & Conservation Plan (“EE&C Plan”) with the Commission for approval. Metropolitan Edison Company (“Met-Ed”) developed, filed, and received approval of its initial EE&C Plan.

On August 3, 2012, the Commission entered the *Phase II Implementation Order* at Docket Nos. M-2008-2069887 and M-2012-2289411, tentatively adopting EDC-

specific targets for reduced energy consumption in Phase II of the EE&C Program, to run from June 1, 2013 through May 31, 2016. Met-Ed filed its Phase II EE&C Plan with the Commission on November 13, 2012.

Act 129 requires that each plan include a variety of EE&C measures and that all approved EE&C measures be financed by the customer class that receives the direct energy and conservation benefit of such measures. Consequently, the rates of small business customers will be affected by the Phase II EE&C Plans. Therefore, the Small Business Advocate has filed a Notice of Intervention in the proceeding regarding the Company's proposed Phase II EE&C plan in order to protect the interests of small business customers.
