All capitalized terms not otherwise defined in this rider shall have the definitions specified in the Definitions of Terms section of this tariff. For the purpose of this rider, the following additional definitions shall apply:

1. Phase I EE&C-C Computational Period – The 39-month period from March 1, 2010 through May 31, 2013.

4. Final Reconciliation – At the conclusion of the accumulation of all approved program costs outlined in this rider on September 30, 2013, a final reconciliation of actual program costs and actual revenues received shall be completed. The final Phase I EE&C-C rate reflecting the Final Reconciliation shall be effective January 1, 2014

Upon determination that the Phase I EE&C-C rates, if left unchanged, would result in material over or under-collection of all recoverable costs incurred or expected to be incurred by Customer Class, the Company may request that the Commission approve one or more interim revisions to the Phase I EE&C-C rates to become effective thirty (30) days from the date of filing, unless otherwise ordered by the Commission.

The Company shall file an annual report of collections under this rider within thirty (30) days following the conclusion of each Phase I EE&C-C Reconciliation Year.

At the conclusion of the duration of this reconciliation rider, the Company is authorized to recover or refund any remaining amounts not reconciled at that time under such mechanism as approved by the Commission. The Company will continue to accumulate all approved program costs for Phase I until September 30, 2013. A Final Reconciliation will be performed by rate class, comparing actual program costs with actual revenues received from Phase I EE&C-C rates. Any over-collection will be refunded to customers and any under-collection will be charged to customers through the Phase I EE&C-C rate to be effective January 1, 2014, until all amounts determined by the Final Reconciliation have been collected or refunded.

Application of the Phase I EE&C-C rates shall be subject to annual review and audit by the Commission.
