Dear Mr. Galosi:

This letter serves as notification that Peoples Natural Gas Company does not require BP Energy Company to provide a security or credit enhancement. Our decision is based on the fact that your company is not currently operating, and has no immediate plans to operate, a Non-Priority One Pool or a Priority One Pool on the Peoples Natural Gas system. However, if in the future your company desires to establish a Non-Priority One Pool or a Priority One Pool on the Peoples Natural Gas Company system, it may be required to establish a security or credit enhancement based on the terms set forth under Paragraphs 6 and 7 of the Rules and Regulations of The Peoples Natural Gas Company Supplier Tariff.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.
