Re: Electric Generation Suppliers License A-110162

Dear Ms. Bruce:

On October 6, 2004, the Commission issued a license at Docket No. A-110162, authorizing BOC Energy Services, Inc. (BOC) the right to begin to offer, render, furnish, or supply electric generation supplier services to large commercial and industrial customers in the entire Commonwealth of Pennsylvania.

On February 5, 2008, BOC filed a request that the Commission change the name on its license to provide electric generation supplier services from BOC to Linde Energy Services, Inc.

Linde Energy Services, Inc. has provided proper documentation as required by this Commission.

Therefore, the Commission approves, by this Secretarial Letter, the change of BOC's name on its license for the provision of electric generation supplier services to large commercial and industrial customers in the entire Commonwealth of Pennsylvania, at Docket No. A-110162, to Linde Energy Services, Inc.

Sincerely,

James J. McNulty
Secretary
