Regulation No. 57-306 (#3054)
Pennsylvania Public Utility Commission
Amending Regulations Regarding Standards
for Changing a Customer's Electricity
Generation Supplier

On April 8, 2014, the Independent Regulatory Review Commission (Commission) received this regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code Chapter 57. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This regulation accelerates the process for a customer to switch electric generation suppliers.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. § 501(b)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.
