Reinstatement of Certificate of Public Convenience
Central Transport, Inc.
A-00114039

To Whom It May Concern:

We have reviewed your letter of January 8, 1999, wherein you set forth facts concerning the circumstances causing our cancellation of the certificate of public convenience at A-00114039. It is our determination that our cancellation of the certificate was in error resulting from the confusion of two companies with the same name, Central Transport, Inc., operating from the same mailing address.

Upon review, we have determined that Central Transport, Inc., at A-00114039 is the currently active carrier, with Central Transport, Inc., at A-00108155, the carrier no longer engaged in Pennsylvania intrastate operations, THEREFORE;

YOU ARE ADVISED: That our Secretarial Letter of December 28, 1998, be and is hereby rescinded.

YOU ARE ADVISED: That the certificate issued at A-00114039 be and is hereby reinstated with all rights, powers and privileges conferred thereby.

Very truly yours,

James J. McNulty
Secretary
