Re: Natural Gas Supply Services License  
BP Energy Company, Docket No. A-125142

RJP

Dear Ms. Bruce:

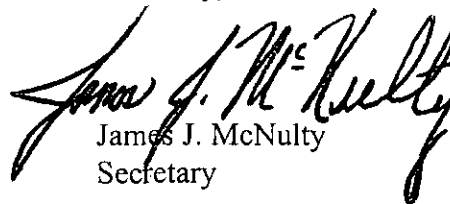

On November 3, 2005, the Commission issued a license at Docket No. A-125142, authorizing BP Energy Company (BPEC), the right to begin to offer, render, furnish, or supply natural gas supply services to large commercial, industrial and governmental customers in the service territory of Columbia Gas of Pennsylvania, Inc., within the Commonwealth of Pennsylvania.

On August 22, 2007, BPEC filed a request to amend its license to provide natural gas supplier services in the Commonwealth of Pennsylvania to include the additional service territory of UGI Utilities, Inc.

BPEC has provided proper documentation as required by this Commission.

Therefore, the Commission approves, by this Secretarial Letter, the modification of BP Energy Company's license to authorize it to provide natural gas supply services to large commercial, industrial and governmental customers in the additional service territory of UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

Sincerely,

  
James J. McNulty
