Re: Natural Gas Supply Services License A-125095

Dear Mr. Dennis:

On April 5, 2001, the Commission issued a license at Docket No. A-125095, authorizing Constellation NewEnergy – Gas Division, LLC (“Constellation”), under its prior name Alliance Energy Services Partnership, the right to begin to offer, render, furnish or supply natural gas supply services to industrial customers, in the service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

On September 1, 2004, Constellation filed a request that the Commission amend its license to authorize it to provide natural gas supply services to industrial customers in the additional service territory of The Peoples Natural Gas Company, within the Commonwealth of Pennsylvania.

Constellation has provided proper documentation as required by this Commission.

The Commission approves, by this Secretarial Letter, the modification of Constellation NewEnergy – Gas Division, LLC’s license to authorize it to provide natural gas supply services to industrial customers in the service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, The Peoples Natural Gas Company and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

Sincerely,

James J. McNulty
