Dear Gene Manetta:

A recent review of your electric account indicates that payments for your electric service are not being made in a timely manner.

Under state law, West Penn Power is permitted to request a security deposit from existing customers when their payment history with the Company is unsatisfactory.

This letter is not a demand for a security deposit at this time. However, if you continue to pay after the due date, you may be required by West Penn Power to pay a security deposit. The security deposit will be included on your monthly bill and will be in addition to any other amount due on your account.

If eligible, you are encouraged to consider enrolling in our Checkless payment plan program to ensure your payments are automatically deducted from your bank account on the due date. You can enroll in our Checkless payment plan at www.directpaymentplan.com.

If you have any questions or comments regarding this matter, please feel free to call us at 1-800-736-3404.

Sincerely,
West Penn Power

To avoid a 1.25% Late Payment Charge being added to your bill, please pay the **Amount Due** by the Due Date.

Your current **PRICE TO COMPARE** for generation and transmission from West Penn Power is listed below. For you to save, a supplier's price must be lower.

Domestic Service - 0006966017 - 6.22 cents per KWH
 Customer reserves the right to shop for an electric supplier.

Your next meter reading is scheduled to be estimated. If you would like to provide us with an actual reading, please do so between Nov 13, 2014 and the close of business on Nov 15, 2014. See the back of this bill for more information.

Your bill includes \$8.49 in PA taxes, of which \$6.73 is PA gross receipts tax.

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utilities Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

We are warning customers about a scam involving a telephone caller posing as an electric company employee threatening to shut off power unless an immediate payment is made using a pre-paid debit card such as a Green Dot card.

Although we may phone customers to remind them that a payment is past due, we would explain how a payment can be made using one of our many payment options. If you receive a call demanding immediate payment using a specific option, please contact us at 1-800-686-0021. For more information, visit www.firstenergycorp.com/paymentoptions.
