**Re: Amended Petition of SPLP, LP, for a Finding that the Situation of Structures to Shelter Pump Stations and Valve Control Stations is Reasonably Necessary for the Convenience or Welfare of the Public in West Goshen Township, Chester County**  
**Docket No. P-2014-2411966**  
**Main Docket No. P-2014-2411941**

Dear Secretary Chiavetta:

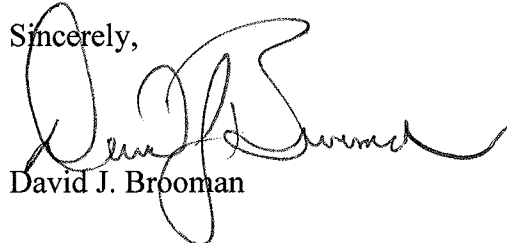

This letter is to request an extension of time to December 29, 2014, to respond to Sunoco Pipeline, L.P.'s (SPLP) Motion to Dismiss the Answer of West Goshen Township.

West Goshen Township filed an Answer with New Matter on November 17, 2014, to SPLP's Amended Petition for a Finding that the Situation of Structures to Shelter Pump Stations and Valve Control Stations is Reasonably Necessary for the Convenience or Welfare of the Public. SPLP filed Preliminary Objections to the Answer and New Matter of West Goshen Township on December 8, 2014. Pursuant to the Public Utility Commissions Rules and Regulations, West Goshen Township's answer to the preliminary objections is due on or before December 18.

Counsel to SPLP has been contacted and has consented to this request for an extension of time, to December 29, for West Goshen Township to file a response.

Thank you for your considerations.

Sincerely,

David J. Brooman
