The name change for the Company is part of a comprehensive rebranding initiative of the family of companies owned by WGL Holdings, Inc. a registered holding company, in which its energy commodity business is being rebranded under the name WGL Energy Services, Inc. Accordingly, the Company has filed an Amendment of its Certificate of Incorporation with the State of Delaware, the state of its incorporation, noting the name change. As a licensed competitive energy supplier in Pennsylvania the Company is also qualified to do business in the Commonwealth of Pennsylvania, and the Company has filed an Application for Amended Certificate of Authority with the Pennsylvania Department of State, Bureau of Corporations and Charitable Organizations, a copy of which is attached hereto as Exhibit B.

A sample letter sent or being sent to customers is attached as Exhibit C.

The name change from Washington Gas Energy Services, Inc. to WGL Energy Services, Inc. does not involve any asset transfers or any stock transfer, and the Company will continue to operate as a licensed electricity and natural gas supplier under the licenses granted by the Commission. The name change will have no impact on the Company's operations or the delivery of electricity and natural gas to its customers. WGL Energy Services, Inc. will continue to be responsible for all the obligations that are associated with maintaining its licenses including complying with all supplier obligations under the Natural Gas Choice and Competition Act of 1999, 66 Pa.
