Re: Audie L Pentz Trucking Inc

C-2015-2469675

To Whom It May Concern,

The insurance company failed to place the filing in time for this insured. Please waive the fine and reinstate the insured. This is not the motor carriers fault, and the insurance company apologized for this oversight. Please note that the filings were placed on 3/13 with an effective date of 2/1/15, so there was no lapse in insurance and the insured should not be fined. If you have any questions please call Lara Brownlee at 814-255-7878.

Thank you,
