RE: Change of Address for **A-00122591**

Dear PUC,

Last year, I ceased operations because my 4 year old daughter was diagnosed with Leukemia and transferred to San Antonio, Texas for treatment (she is doing very well I might add). I spoke to a PUC representative, who advised me to cancel my car insurance after my last client event. This, she said, would trigger a one year suspension of my license. I did so in September after my last limousine activity.

Since then, I moved to Texas to be close to my daughter and advertised the PUC license for sale. I have a potential buyer at the moment and am in the process of starting the license transfer through an attorney. In the meantime, I wanted to provide you my new address, as my mail forwarding has stopped. Please use this address for any correspondence so that I can keep all my filings current and transfer an issue free license to the new buyer.
