Dear Mr. Montgomery:

We are pleased that Efficient Energy Solutions, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Efficient Energy Solutions, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Efficient Energy Solutions, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Efficient Energy Solutions, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Efficient Energy Solutions, LLC changes in the future, Columbia Gas might deem it appropriate to require Efficient Energy Solutions, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Security Requirement for Efficient Energy Solutions, LLC

Dear Michael,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Efficient Energy Solutions, LLC (EES) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EES must furnish acceptable security to each utility where EES will do business. As such, under its tariff, NFGDC could require EES to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EES intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EES will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, EES does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EES change in the future, NFGDC reserves the right to require security from EES as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

RE: Efficient Energy Solutions, LLC. application to serve as a Natural Gas Broker

Dear Mr. Montgomery,

Based on your assertion that Efficient Energy Solutions, LLC. ("EFFICIENT ENERGY") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that EFFICIENT ENERGY will not need to post security with UGI-Penn Natural Gas, Inc. ("PNG"). This is based on the declaration that EFFICIENT ENERGY will not be taking title to gas or directly serving end use customers. This also assumes that EFFICIENT ENERGY will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the PNG service territory and who has posted the required financial security as specified in the PNG tariff. If EFFICIENT ENERGY wishes to directly serve Choice customers in the PNG service territory in the future as a natural gas supplier, it will have to post security as specified in the PNG tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

Dear Mr. Polosky :

We are pleased that Efficient Energy Solutions, LLC has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC - Equitable Division ("the Companies").

Since Efficient Energy Solutions, LLC is not currently operating, and has no immediate plan to operate a Pool on the Peoples systems, we have determined at this time that Efficient Energy Solutions, LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If the creditworthiness requirement or the Company's exposure to Efficient Energy Solutions, LLC provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

Sincerely,

However, if the services provided change in the future, we reserve the right to require security from Efficient Energy Solutions, LLC as deemed appropriate.

If you have any questions, please contact Mrs. Marjorie Johnston at 570-888-9664.

Sincerely,

Robert J. Crocker
