RE: DOCKET NO.: C-2015-2469707

Dr. Mr. Loucks,

In response to the complaint I just received from the PUC regarding failure to maintain evidence of insurance on file with the Commission. Due to suffering a severe heart attack, my semi-truck was sold 2 years ago. I have also had to relinquish my CDL. I can no longer drive a commercial vehicle for myself or anyone else. This is why there is no evidence of insurance. I also no longer operate a principal business at 805 Copenhaffer Road, York, PA.

I know this was an oversight on my behalf to not notify the Commission that I had gone out of business. At 60 years of age, and unable to work, as you can imagine it has put a severe financial strain on me and my family. I hope this explanation you will find sufficient that I was not trying to maliciously deceive the Commission and not punish me any further.

Thank you for your time and consideration.

Sincerely,

Donald Boyd Knouse, Jr.
