SUBJECT: United Water Pennsylvania Inc.  
Distribution System Improvement Charge (DSIC)  
Quarterly Update

Dear Secretary Chiavetta:

Pursuant to Order P-00961031 dated August 26, 1996, enclosed via electronic filing please find DSIC calculation schedules that support an increase in the surcharge of 7.99%. The surcharge is however capped and remains at 7.50%. As a result, the tariff supplement is not being included in this filing.

I can be reached at (201) 767-2844 or via email at [peiling.lin@unitedwater.com](mailto:peiling.lin@unitedwater.com) if you have any questions pertaining to this filing.

Very truly yours,
