SECRETARY'S BUREAU

From this may concern,
Don's Hoyman is writing to the
C, about my electric bill with
West Penn Power. I would like them
to explain to me how they come up
with the 74.13 amount I am to pay
in Lipurp this next year. When I
only have one refrigerator on this
meter, Account No, 100-091-911-261,
I would like them to explain this to
me in writing how they come up with
that price with one refrigerator on
the meter. I feel the price should be
abt lower a month.

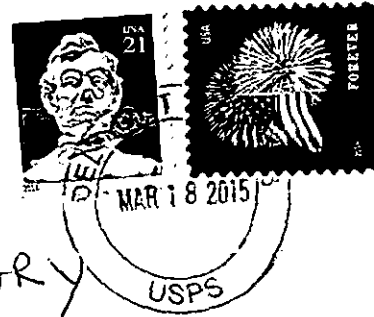

I am also trying to get help with my
bill that I owe, with Dollar Energy Fund
I was Denied because the worker
that filled out the application fill out
that I was with Penn Power and
I am with West Penn Power so I was
denied, I told Gina Dietrich about
this issue, so West Penn Power can
help me get it resolved, and I get
help from Dollar Energy Fund to pay
my bill. This is why I am appealing

And not closing my complaint until
these issues are resolved,

Sincerely

Steve Hayman
