Re: Application of Leon Earle Saucier
PUC Docket No. A-2015-2475065

Dear Secretary Chiavetta:

In reference to the Protest and Request for Oral Hearing by Ephrata Community Ambulance Association, Inc and Manheim Township Ambulance Association.

There must be a mistake in my Application. I never intended to transport non-ambulatory persons in paratransit service. I retired in February from Sight and Sound theaters where I worked as an Electrical Design Engineer.

My Amish neighbors asked if I would become a driver for them as they felt there was a lack of drivers in our area. I live in the town of Bart in Southern Lancaster County. I am only Driving parttime and drive Amish who live with in 2 miles of where I live.

I would not be competing with ether Ephrata Community Ambulance Association, Inc or Manheim Township Ambulance Association.

I therefor request that you do not have a Oral Hearing on my Applaction.

Thank you for your time.
