**TO: Parties on the attached Certificate of Service**

**RE: WGL Energy Services, Inc. – Request for Change of Amount and Form of  
Security/Bonding  
Docket Nos. A-110158**

On December 9, 2014, WGL Energy Services, Inc. (formerly known as Washington Gas Energy Service, Inc.) (“WGL”) submitted a filing to the Pennsylvania Public Utility Commission (“Commission”) to request a reduction in the required level of security/bonding from 10% to 5% of its most recent 12 months of revenue, and to request permission to post a parental guaranty rather than a bond to satisfy the security requirement.

At the request of the Commission’s staff, WGL is hereby providing a redacted copy of its December 9, 2014 filing to the statutory advocates and all Electric Distribution Companies, as indicated by the attached Certificate of Service.

If you have any questions, please feel free to contact me.

Best Regards,

STEVENS & LEE

Michael A. Gruin
