RE: Joint Petition for Approval of Settlement of All Issues
 Pa PUC v. PPL Electric Utilities Corporation R-2015-2469275

Dear Mr. Muller:

Enclosed please find a copy of the Joint Petition for Approval of Settlement of All Issues which has been filed and submitted for approval in the above-captioned base rate case. With the exception of self-represented complainants, all parties have signed the Settlement.

You have the right to review this Settlement and do one of the following:
(1) nothing; (2) submit your comments indicating agreement with the Settlement; or
(3) submit a letter indicating that you do not agree with the Settlement and your reasons in support of your position. Please keep in mind that no additional evidence may be submitted at this stage of the proceeding. As you waited until the record was closed and the case nearly finished to file your formal complaint, your time for further participation is short.

You are not required to respond to this letter. If you wish to have your input included in the record submitted to the Commission for its approval, you **MUST** file your comments with the Commission's Secretary and send a copy to me directly on or before **September 28, 2015**. That is the date that I must have your comments in my possession, not your mailing date. A form is included for your convenience. You do not have to use it; it is simply included for convenience. Remember that the Secretary will not accept a fax or email in place of filing, either by mail or by electronic filing IF you have a Commission efile account.

Sincerely,

A handwritten signature in blue ink that reads "Susan D. Colwell".
