Re: Petition of Direct Energy Business, LLC to Revise its Current Bond/Security
Docket No. A-110025

Dear Secretary Chiavetta:

On November 25, 2014, Direct Energy Business, LLC ("Direct Energy") filed a Petition for approval of a reduction in its required security to operate as a licensed electric generation supplier in Pennsylvania and that it be permitted to utilize a parental guarantee from its corporate parent, Centrica plc. After further consideration, Direct Energy withdraws its request to change its security instrument to a parental guarantee. If the 5% reduction in security is approved, Direct Energy will update its security requirements either through a letter of credit or bond.

Sincerely,

A handwritten signature in cursive script that reads "Deanne M. O'Dell".
