Dear Judge Fordham:

Re: Application of Service Emporium, Inc. t/a Man With A Van No. A-2015-2472602

As your records will indicate, I have been retained to represent Applicant, Service Emporium, Inc. t/a Man With A Van, in the above referred to application proceeding. My Pennsylvania Supreme Court Identification Number is 29681.

I am in receipt of November 13, 2015 letter from Protestants' counsel, William A. Gray, Esq., withdrawing the the protests of his three clients in this applicationi matter. Therefore, my file indicates the withdrawal of these protests results in this application now being "unopposed" for processing by the Commission on submission of verified statement(s) without any in person hearing.

According, I, on behalf of Applicant, respectfully request the scheduled January 8, 2016 Initial In Person Hearing be canceled and the instant application be processed by the Commission now through the submission of verified statement(s), without any in person oral hearing.

If you have any questions relative to any of the above, or require additional information, do not hesitate to contact me. Your advice, courtesies and considerations are appreciated.

Respectfully yours. Kenneth A. Olsen
