PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAURe: Pennsylvania Power Company Quarterly Report to the Pennsylvania
Public Utility Commission and Act 129 Statewide Evaluator
M-2012-2334395

Dear Secretary Chiavetta:

Enclosed please find an original, a copy and a disk of Pennsylvania Power Company's Revised Quarterly Report to the Pennsylvania Public Utility Commission and Act 129 Statewide Evaluator for Plan Year 7, Quarter 2.

Subsequent to the filing of the Plan Year 7, Quarter 2 report, a computational error was discovered that affected the reported results for the Behavior Modification Sub-program contained in the Home Performance Program. As a result of this error, the Phase II-Q reported MWh and IQ, PYTD and Phase II participants for the Home Performance program and the overall portfolio were overstated in Section 1-1, Figures 1-1 and 2-2 and Tables 2-1 and 3-1. Other reported results for IQ, PYTD, Phase II, and Phase II-Q MWh, MW, and participants were unaffected by this error.

Please date stamp the copy and return to me in the enclosed, postage-prepaid envelope. Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Carrie M. Dunn
