RE: Continuation Certificate – Bond No. [REDACTED]
Premier Energy Group LLC
A-2009-2100721

Dear Sir/Madam:

Please find under cover of this letter the Continuation Certificate you filed with the Commission on behalf of Premier Energy Group LLC because it is superseded by the updated Bond which we received from you on May 11, 2016.

The Commission requires a supplier to file an original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed Continuation Certificate does not have a "wet ink" original signature or raised seal. As the updated Bond included both an original signature and a raised seal, no further action is required from you at this time. Please note however that in future filings without an original signature or raised seal will no longer be accepted.

Sincerely,

A handwritten signature in black ink that reads "Rosemary Chiavetta". The signature is written in a cursive style with a large initial "R".

Rosemary Chiavetta
Secretary of the Commission
