RE: ADVANCE NOTICE OF TEMPORARY RULEMAKING ORDER

DOCKET NO. L-2016-2556432

COMMENTS OF DEREK A. DELUCIA, SR.
ON BEHALF OF STAR LIMOUSINE SERVICE, INC., CRANBERRY TAXI, INC. D/B/A/
VETERANS TAXI, AIR STAR TRANSPORTATION AND LIMOUSINE SERVICE, INC.
AND CLASSY CAB COMPANY, INC.

The Commission published in the Pennsylvania Bulletin dated August 27, 2016, an Advance Notice of Temporary Rulemaking Order to promulgate temporary regulations consistent with Act 85 of 2016. The Advance Notice of Temporary Rulemaking Order provided that written comments can be submitted within 30 days of publication in the Pennsylvania Bulletin. Star Limousine Service, Inc., Cranberry Taxi, Inc., Air Star Transportation and Limousine Service, Inc. and Classy Cab Company, Inc. (hereinafter referred to as "the Star Transportation Group"), hereby submit the comments set forth below.

The Star Transportation Group consists of two companies holding call or demand authority (Cranberry Taxi, Inc. d/b/a Veterans Taxi and Classy Cab Company, Inc.) and two companies holding limousine authority (Star Limousine Service, Inc. and Air Star Transportation and Limousine Service, Inc.). The companies in the Star Transportation Group all provide service pursuant to their authority under tariffs on file with the Commission. These companies are all legally required to charge the rates set forth in those tariffs.

Taxicab and limousine companies directly compete with TNC's and are at a competitive disadvantage by having to charge the specific rates set forth in their tariff at all times.

TNC companies are not required to publish tariffs with specific rates but rather are permitted to file tariffs with flexible rates. There is no legitimate reason for continuing to require taxicab and limousine companies to charge the specific rates set forth in their tariffs while at the same time permitting TNC's to charge flexible rates. The Star Transportation Group therefore proposes in these comments that taxicab and limousine companies be treated the same as TNC's from a tariff standpoint and be permitted to charge flexible rates rather than specific rates.

Respectfully submitted,
