RE: Application of Laurel Pipe Line Company, L. P. for all necessary Authority, Approvals, and Certificates of Public Convenience to Change the Direction of Petroleum Products Transportation Service to Delivery Points West of Eldorado, Pennsylvania. Docket No. A-2016-2575829

Madame Secretary:

Please know that Martin Oil Company, a third generation family owned business, strongly supports and advocates for approval of subject application. We believe that the PA Public Utility Commission's approval would help ensure a more reliable supply of petroleum products to our 18,000 customers and will help stabilize our ability to provide competitive prices to these customers.

If Martin Oil Company or I can be of any further service to you as the PUC Commission ponders its decision, please do not hesitate to contact me.

With thanks and much respect,

Thomas C. Martin, Chairman, Martin Oil Company

CC: Board of Directors, Martin Oil Company
