Re: Commerce Energy Company Name Change Notice - Resubmittal

Dear Rosemary Chiavetta:

This is a revised submittal to create a previous notice that was submitted without an official officer signature. Commerce Energy, Inc. ("Commerce Energy") is a certified/licensed Electric Generation Supplier under license number A-110117 and a Natural Gas Supplier under license number A-125138 in Pennsylvania. With this notice Commerce Energy notifies you of a company name change effective April 1, 2017. As of that date Commerce Energy will change its name to **Just Energy Solutions Inc.** This change does not result in a material change it is simply ~~just~~ a name change. We will maintain the same Tax ID, operational functions, business contacts and all customer operational functions and agreements will remain the same. In addition, Commerce Energy will notify all customers of the new company name prior to the change.

The Company currently operates in the United States, Canada and the United Kingdom, offering a wide range of energy products and home energy management services including long-term fixed-price, variable-priced, and flat-bill programs, smart thermostats, and residential solar panel installations.
