**Re: Petition of PECO Energy Company for Approval of its Act 129 Phase III
Energy Efficiency and Conservation Plan, Docket No. M-2015-2515691**

Dear Secretary Chiavetta:

Enclosed for filing is PECO Energy Company's proposed Act 129 Conservation Service Provider ("CSP") contract with the EnerNOC, Inc.¹ ("EnerNOC") for which PECO requests Commission review and approval. PECO has selected EnerNOC for the provision of services in connection with the Company's Demand Response Aggregator Program. PECO requests that the Commission review the EnerNOC contract on an expedited basis to allow sufficient time for demand response resources to be enrolled before the performance period begins on June 1, 2017.

Please note that this contract is CONFIDENTIAL and should be accorded confidential treatment by the Commission.

The request for proposals ("RFP") for services in connection with the Company's Demand Response Aggregator Program was issued on June 17, 2016 by Exelon Business Services Company and was conducted in a manner consistent with PECO's Commission-approved RFP process. The EnerNOC contract is consistent with the Commission's contract criteria in the Phase III Implementation Order.²

¹ EnerNOC is a Commission-registered CSP (see Docket No. A-2009-2102368).

² *Energy Efficiency and Conservation Program*, Docket No. M-2014-2424864 (Final Order entered June 19, 2015), pp. 126-127.
