Attendance in person requires no prior action. Attendees must simply show up and sign in.

The purpose of this hearing is to solicit public input and you can be a witness. At this hearing you will have the opportunity to present your views in person to the PUC Administrative Law Judge hearing the case, statutory advocates, intervenors and Laurel representatives. All testimony is given "under oath" and will become part of the official case record.

The Company offers the following tips if you plan to testify:

- Prepare what you are going to say beforehand. Even though it is not required, you may want to write out your statement, which can be read.
- If you have a written statement you would like to give to the Judge as evidence, please bring two copies for the court reporter and several copies for the other participants.
- Sometimes one of the parties in the case may want to ask you a question to clarify something you have said. Listen carefully to the question and answer it to the best of your ability. You may ask for the question to be repeated. It is OK if you do not know the answer.
