To Whom It May Concern:

On May 24, 2017, Pennsylvania-American Water Company ("PAWC") filed an application with the Pennsylvania Public Utility Commission ("PUC") to acquire the wastewater system assets of the Municipal Authority of the City of McKeesport ("MACM") and to begin wastewater service in the territory currently served by MACM. The application was accepted for filing by the PUC on June 14, 2017. By PUC Secretarial Letter dated June 14, 2017, PAWC was directed to serve a copy of the application on: (i) "each city, borough, town, township, county and related planning office which is included in whole or in part, in the proposed service area"; (ii) "[a] water or wastewater utility, municipal corporation or authority which provides water or wastewater collection, treatment and disposal service to the public and whose service area abuts the service area proposed in the application"; and, (iii) "the Department of Environmental Protection's appropriate regional office."

In compliance with the PUC Secretarial Letter, enclosed please find a CD-Rom containing a copy of the non-confidential version of the application. If you have any question regarding the service of this application, please contact the undersigned counsel for PAWC.

Sincerely,

COZEN O'CONNOR
