

BUREAU OF TECHNICAL UTILITY SERVICES DATA REQUESTS

TO PENNSYLVANIA-AMERICAN WATER COMPANY

Docket No. A-2017-2606103

Data Request 1

A-23. A copy of the MACM wastewater treatment plant's (WWTP's) water quality management permit was provided as supplemental information to the Application's Appendix A-20-b on June 8, 2017. However, copies of the water quality permits for the Dravosburg and Duquesne WWTPs were not provided. Please provide copies of all water quality management permits applicable to the assets being acquired.

Response: Copies of the Water Quality Management permits for Dravosburg and Duquesne are not available at this time.

Responsible Witness: David Kaufman
Title: Vice President, Engineering

Date: July 14, 2017
