Dear Secretary Chiavetta:

I am opposed to Buckeye Partners request to reverse the flow of the Laurel Pipeline.

To allow Buckeye to reverse flow on any part of the Laurel Pipeline will put thousands of jobs in jeopardy.

Pennsylvania cannot afford to have Refineries possibly shutdown by allowing a reverse of the Laurel line.

Western Penna/Pittsburg benefit from refined product sources from the East coast and Midwestern refineries.

Since 1957 Buckeye Partners/Laurel Pipeline was granted permission by the P.U.C. to build and operate for the benefit of Pennsylvania, reversing flow will only benefit corporations outside of Pennsylvania.

The P.U.C. should take every action to reject Buckeye's request to reverse flow.

Thank you.
