PA PUC
SECRETARY'S BUREAU

Application of Transource Pennsylvania, LLC
Filed Pursuant to 52 Pa. Code Chapter 57, Supchapter G
For Approval of the Siting and Construction of the 230 kV Transmission Line
Associated with the Independence Energy Connection-West Project in Portions of Franklin County
Docket No. A-2017-2640200

PROTEST

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et. seq.*, [Name of
Protestant, or party filing the Protest] files this Protest to the Independence Energy Connection-West.

In support of this Protest, [Name of Protestant] avers as follows:

1. Fred Byers

1863 Coldsmith Rd.

Shippensburg, PA 17257

2. I am protesting because this project directly impacts me due to being a landowner and ratepayer.

3. We have concerns over property values, negative impacts and decrease of construction of new
properties in the area.

4. This project will decrease our property values. This project will prevent the possible construction of
new homes in the area. We do not want our farmette affected by the negative impacts of this project.
The stray voltage could affect our beef and/or dairy cattle. It will end up being 30 feet or less from the
farmette house.

WHEREFORE, Fred Byers, respectfully requests the Pennsylvania Public Utility Commission not to
approve the Transource Energy Project and to investigate and hold full hearings regarding the filing.

Respectfully submitted,

Fred G Byers

Fred Byers

Dated: January 27, 2018
