PROTEST

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et seq.*,

Randall C. Stewart files this Protest to the Transource Filing Docket No. A-2017-2640195. In support of this Protest, Randall C. Stewart avers as follows:

1. The name and contact information of the Protestant is as follows:

Randall C. Stewart - 28 Stewart Road,
Airville PA 17302 ph: 717-862-3509, 717-891-4467

2. My interest in this project is as

a land owner whose farm is directly
impacted by The Transource Project

3. The grounds for our protest of this proposal:

- it is a 'market efficiency' project - no resident
of PA or MD is going without electricity
There are other under utilized towers parallel
to the proposed new line.
- Project would mutilate much agriculturally
preserved farmland

4. This directly affects me by

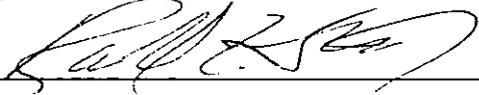

- Disrupting agricultural pursuits: planting, harvesting, etc
- Towers severely limit any future farm related construction
- Our farm has been in the Stewart family for
200 years and is in PA Ag. Preservation - The →

Presence of the Powerlines and towers would be a
terrible intrusion on this historic property

- Concerned about effects of power lines on
cell phone service and wireless internet
reception - This would affect daily 'quality of life'

WHEREFORE, Randall E. Stewart respectfully requests Pennsylvania Public Utility
Commission to investigate and the filing, and strongly impose a condition that all other existing rights of
way and infrastructure should be utilized before any new power line projects are approved, and **the
Commission should deny the Transource filing.**

Respectfully submitted,

Signed: 

**BEFORE THE PENNSYLVANIA PUBLIC UTILITY
COMMISSION**
