**PROTEST**

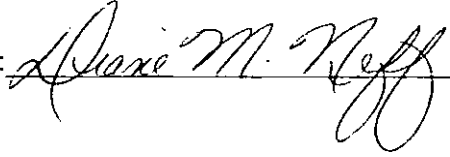

---

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et seq.*, Diane M. Neff, files this Protest to the Transource Filing Docket No. A-2017-2640195. In support of this Protest, Diane M. Neff avers as follows:

1. The name and contact information of the Protestant is as follows: Diane M. Neff of 586 Frosty Hill Road, Airville, PA 17302
2. My interest in this project is as a landowner, farmer, and resident of Lower Chanceford Township.
3. The grounds for our protest of this proposal:
  - a. The proposed route for these powerlines falls across our farm. It goes right through our woods, the place where our twelve grandchildren have spent hours building forts and playing every chance they get. The powerlines will destroy our woods along with the dreams of our ten grandsons being able to hunt where grandpa and great-grandpa hunts.
  - b. We preserved our farm so that houses wouldn't ruin the farm or the landscape. Little did we know that, when we were signing those building rights away, we actually put a target on our farm for utilities and other entities to take advantage of the lower land price.
4. This directly affects me by the imprint this line would leave on our land and our lives, and the generations of lives to follow, it will be irreparable!

WHEREFORE, Diane M. Neff gratefully ask the Pennsylvania Public Utility Commission to research and utilize existing right-of-ways and prohibit all new powerlines until all other existing routes have been explored and exhausted. We strongly oppose this powerline and ask that **the Public Utility Commission deny Transource's request** to pursue and carryout this project. Thank you for seriously considering our request.

Respectfully submitted,

Signed:  \_\_\_\_\_
