1. My interest in this project is

My wife (Kay) and I own a 180 acre farm which is located
very near to the proposed route of the Transource project

1. The action of this Commission will

- Make preserved farm land null and void.
- Curtails farm use and land values for future
generations.

WHEREFORE, Carl Baldwin respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**
