**PETITION TO INTERVENE**

---

Pursuant to 52 PA Code § 5.71, *et seq.*, Garland Sweitzer hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Garland Sweitzer submits as follows:

1. The name and contact information of the Petitioner is as follows:

*Garland Sweitzer of 531 Good Road, Airville, PA  
17302.*

2. My interest in this project is *as a landowner and resident of  
Lower Chanceford Township, York County.*

**RECEIVED**

PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

3. Existing participants in the filing may not understand:

*a. That transource has not proven the need for  
this project.*

*b. That there is an existing right of way and  
existing towers.*

*c. The health effects on our five children and  
live stock.*

- d. The negative financial impact of this proposed electric line. As multi-generational landowners, our ability to sell our property will be negatively impacted by the proposed powerline.
- e. The negative impact on local wildlife and the wetlands located at Good Road and Fulton Road.
4. The action of this Commission will discourage farmland preservation if it allows electric powerline development on land that has been specifically protected.

WHEREFORE, Garland Sweitzer respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**

Dated: 02/06/2018

Respectfully submitted, [Signature of Protestant] \_\_\_\_\_
