PETITION TO INTERVENE

Pursuant to 52 PA Code § 5.71, *et seq.*, Christine Crowe hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Christine Crowe submits as follows:

1. The name and contact information of the Petitioner is as follows:

Tim & Christine Crowe of 135 Jefferson Lane, Red Lion, PA 17356

2. My interest in this project is daughter of landowner and resident of York County.

3. Existing participants in the filing may not understand:

- a. Transource has not proven the need for this project.
- b. The project would not bring savings to ratepayers in PA.
- c. That there is an existing right of way with existing towers that are only half energized.
- d. The negative agricultural impact of this proposed electric line.
Our family uses the land for hunting for generations now. With interruptions and devaluing of land; we will have less chances to pass this along.

4. The action of this Commission will terminate 'land preservation' as we know it if it allows electric powerline development on the land.
Devalue our land and allow's utility to enter AT ANY TIME devastating farms productive value.

WHEREFORE, Christine Crowe respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**

Dated: 01/06/2018

Respectfully submitted, [Signature of Protestant] Christine Crowe
