PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Pursuant to 52 PA Code § 5.71, *et seq.*, Katherine Traynor hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Katherine Traynor submits as follows:

1. The name and contact information of the Petitioner is as follows: Katherine Traynor of 331 Laurel Dr York, PA 17406
2. My interest in this project is as a grandchild of Leonard Traynor of 523 Alum Rock Road, New Park, PA 17352, who's property is my childhood home and is my expected inheritance.
3. Existing participants in the filing may not understand:
 - a. As a frequent visitor to 523 Alum Rock Road, the proposed power line could put me and my family in harm's way possible creating health issues to us and our pets.
 - b. There are other existing right-of-ways available that could be used to accommodate any need power lines.
 - c. We have lived at or visited this property for my entire life. It is our family heritage and provides us with quite scenic surroundings and the feeling of good health all that would be taken away which would force us from the home we enjoy.
 - d. Farm land is needed to insure jobs for farmers and helpers as well as provide for the overall insurance of supply and demand. This project threatens all of these mentioned areas causing concern for all.
 - e. Much is being given up with nothing in return. There is no benefit for me or this community.
