PETITION TO INTERVENE

Pursuant to 52 PA Code § 5.71, *et seq.*, Linda A. Dickinson hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Linda A. Dickinson submits as follows:

1. The name and contact information of the Petitioner is as follows: Linda A. Dickinson of
63 Downs Road, Airville, PA 17302
2. My interest in this project is a resident and landowner of Lower Chanceford Township, York County.
3. Existing participants in the filing may not understand:
 - a. The negative impact on our health especially on those that frequently take walks or live nearby these "proposed" power lines. This would be a hazard to my health, our animal's health and my community's health.
 - b. This is making a huge negative impact on agriculture and preserved farm ground and will destroy the natural beauty of the countryside.
 - c. There is another line, already in existence, running parallel to the proposed line that should be used if the project moves forward
 - d. Why is this project being proposed in a new location, when there's already a line not being used to its fullest potential?
 - e. This new proposed line, in no way, benefits me or any other citizen in Lower Chanceford Township, York County, or Pennsylvania. It is my understanding that the requirements of eminent domain, if this project becomes enforced, needs to benefit residents in a positive
