Docket No. A-2017-2640195

PETITION TO INTERVENE

Pursuant to 52 PA Code § 5.71, *et seq.*, Christine Rogers hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Christine Rogers submits as follows:

1. The name and contact information of the Petitioner is as follows:

2. My interest in this project is that I board my horse on the land that will be directly affected by the proposed powerline, and I am a local resident.
3. Existing participants in the filing may not understand:
- The project will go directly through several farms including the one I keep my horse on. This will disrupt the miles of pristine trails and cause increased danger to horses and riders, including stray voltage.
 - There have been many studies about the adverse effect of high voltage power lines on children. (e.g. *The Sensitivity of Children to Electromagnetic Fields*, by Leeka Kheifets, Michael Repacholi, Rick Suanders, Emilie van Deventer; published in the *American Journal of Pediatrics*.) My son and many other children are at the farm daily and this project could impact their health
 - Many of these farms are century owned farms and preserved farmlands. One of the reasons I moved to the area was the rural location and beautiful views. If this project continues, it destroys the spirit of the preserved farmland and will ruin the
