RE: Removal from Pipeline Operator Registry – Docket Number A-2015-2471315

To Whom It May Concern:

Samson Exploration, LLC (Samson), a subsidiary of Samson Energy Company, LLC, has plugged and abandoned all active wells and pipelines in Cameron County, Pennsylvania as of November 2017. Samson will not be filing the Act 127 Pennsylvania Pipeline Operator Annual Registration forms and request to be removed from the registry since we will no longer have any active operations.

Please let me know if you need any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cherice Wheeler".
