

Dear Commissioners,

I am petitioning to intervene in the matter of the Emergency Order issued March 7, 2018 to Sunoco Pipeline L. P. a/k/a Energy Transfer Partners (PUC Docket no. P-2018-3000281). As Founder of Berks Gas Truth, a grassroots organization opposed to shale gas development, I have worked with groups across the state opposed to the Mariner East projects and reside in one of the counties that has been adversely impacted by both ME1 and ME2. For those reasons, I am eligible to intervene and my intervention is appropriate.

Respectfully,

Karen Feridun
