Re: Docket # P-2018-3000281

Dear Secretary Chiavetta,

Sunoco has objected to my motion to intervene despite the fact that I stated in my intervention, which was filed in a timely manner, that I am the founder of the organization Berks Gas Truth, a grassroots anti-fracking organization that was founded in 2010. I noted that my organization has been working on the Mariner opposition for years. The Mariner projects affect the county in which my organization is based. Berks Gas Truth has a long, well-documented history of successfully organizing opposition to shale gas projects in Berks County and beyond. To suggest otherwise is simply not factual. Sunoco's counsel has no grounds to oppose my intervention. I trust that you will rely on the facts and allow my intervention to stand.

Sincerely,

Karen Feridun  
Founder, Berks Gas Truth
