Sunoco's Petition to Lift the Emergency Order
Docket P-2018-3000281

5/2/18

PUC Commissioners,

The filed intervention from Uwchlan Township's Board of Supervisors in regard to this Emergency Injunction has not been evaluated yet. The Supervisors have the primary duty to protect the health, welfare, and safety of the people of Uwchlan. Their petition **MUST** be answered prior to you approving the operator's Petition to Lift the Emergency Order. Failing to help the townships request to evaluate our geophysical formations, the depth of cover of ME1, and other issues as outlined in their filing means that you have neglected the needs of the Commonwealth stakeholders and prioritized corporate profits over safety, private property, and the economic vitality of the region.

Please take your responsibility under Title 66 Section 1501 seriously and perform your duty to ensure safe and reliable service to the people of Uwchlan.

Sincerely,

Rebecca Britton
